

DKMS Robotics - Sponsorship Form

Delton Kellogg Middle School

6325 Delton Road
Delton, MI 49046
(269) 623-1540
nicholas.claus@dkschools.org

Dear Sponsor,

Thank you for sponsoring the Delton Kellogg Middle School Robotics team. We need to raise an estimated \$10,000 annually to be able to continue to participate in FIRST TECH CHALLENGE COMPETITIONS and to continue to build and improve our team/organization. Your sponsorship will allow us to cover entry fees, travel expenses, scouting technology, a practice field and purchase parts for and maintaining our robot. Any amount helps and we graciously thank you in advance.

Sincerely,

Delton Kellogg Middle School Robotics (Team C.A.T. - Team #12746)
